EVOLUTION OF DANCE

ABOUT THE ARTISTS

SET:
90 MINS

Discover the show that redefines the history of dance. From the roaring charleston of the 1920s and the most elegant swing to the most groundbreaking pop and urban beats, Evolution of Dance is an explosion of versatility and technique. With constant rhythm changes and a visually stunning aesthetic, this show journeys through the musical milestones that have shaped the world, guaranteeing a high-end experience that keeps the audience in constant awe.

With a vibrant staging and a cinematic wardrobe display, each choreography captures the cultural essence of a decade, transforming nostalgia into pure contemporary energy. A dynamic journey where history is danced and emotion connects across all generations."

MEDIA KIT

- **Concept:** Anthology of Movement / Chronological Dance Show.
- **Vibe:** Dynamic, Nostalgic, Vibrant, and Chameleon-like.

SHOW STRUCTURE

The show develops seamlessly through three major segments that journey through a century of culture and rhythm:

- **The Roaring '20s & The Swing Era:** A kickoff filled with sophistication and sparkle that captures the elegance of the Charleston and the overflowing energy of Swing. This segment immerses the audience in the glamour of the golden years with impeccable wardrobe and a classic staging.
- **Golden Age of Rock & Disco Fever:** A rhythmic display that travels through the rebellious spirit of the '50s, the psychedelia of the '60s, and the explosion of color of the '70s. A phase designed for emotional connection, where the most iconic classics come to life with high-energy choreography.
- **Modern Era & Urban Vibes:** The final evolution toward the present day. This segment stands out for the power of contemporary dance, urban rhythms, and cutting-edge aesthetics. An explosive finale with technical choreography that demonstrates the absolute versatility of the group.
