ABOUT THE SHOW

THE FUSION OF TWO ELEMENTS

- **Adrenaline & Aesthetics:** A high-risk choreography where the artists master the flames with pinpoint precision, creating shapes of light that envelop the stage.
- **Large-Scale Acrobatics:** Fluid movements and coordinated acrobatics that take advantage of the venue's vertical space, guaranteeing the show is visible and spectacular from any angle.
- **Controlled Pyrotechnics:** The strategic use of pyrotechnic elements turns up the heat of the event, marking the music's climaxes and generating a constant 'wow effect'.
- **Lasting Impression:** Specifically designed as the focal point for openings and galas, ensuring the visual memory is the last thing guests forget.

MEDIA KIT
