ABOUT THE ARTIST

Born in Asturias, she began her musical journey in 1996. At just sixteen years old, she started collaborating as a soloist with various cover bands, adapting her voice to styles such as jazz, soul, funk, pop, and rock. During this time, she also began her formal studies in vocal technique and guitar.

In 2004, after moving to Barcelona, she collaborated with METROPOL RECORDS and VALE MUSIC on several singles and summer compilation albums, leading to a nationwide tour across Spain in 2008. During her time in Barcelona, she continued her studies in Music, Theater, and Film at the COCO COMIN and SÉPTIMO ARTE schools. Thanks to this training, she was selected to perform in the musical comedy HOTEL DULCE HOTEL by the group HOTEL COCHAMBRE. Additionally, she has appeared on various musical programs for the Asturian regional television channel, TPA.
