ABOUT PEDRO

With over a decade of experience behind the decks, Pedro Azorín has consolidated his career by transforming events into authentic sonic experiences. Far beyond just spinning tracks, his philosophy is based on understanding the identity of each celebration to build a custom atmosphere that reflects the client's personality and connects with their guests. His professional approach combines passion, meticulous attention to detail, and an absolute commitment to the dancefloor, leaving predefined playlists behind to create a unique, seamless, and high-fidelity musical journey.

FORMATS & SPECIALTIES

- **Exclusive Weddings:** Complete sound design and coverage for the celebration, evolving naturally throughout the day (Ceremony, Cocktail Hour, Banquet, and High-Energy Party).
- **Private Events:** From intimate dinners to grand celebrations. In-depth analysis of the venue and the multicultural profile of the guests to adapt the atmosphere to perfection.
- **Catamaran Parties (Open Sea Specialty):** An exclusive format with a rollout of specialized technical equipment for onboard events, blending rhythm and fine taste with open-sea navigation.

HIGHLIGHTS OF PEDRO

- Over 10 years of experience back his track record in top-tier events, across indoor venues, outdoor settings, and boats alike.
- Dancefloor psychology and real-time music reading: Zero predefined playlists; 100% personalized selection based on the crowd's pulse.
- Technical support and premium service: Total involvement from the very first contact right down to the last track of the night.
