ABOUT TAPO Y RAYA

Tapo & Raya is the explosive duo that redefined the European electro-Latin sound with their global hit 'Quítate el Top'. With over 14 million views on YouTube and reaching #1 on the official sales charts in France and Switzerland, they have established themselves as one of the most powerful and sought-after acts on the international scene.

The combination is infallible: Tapo, a Dominican singer and showman with an impeccable musical heritage (son of the percussionist for Celia Cruz and Juan Luis Guerra), brings the flavor, the vocals, and an overwhelming stage presence. Raya (the renowned DJ Witty Martin) provides technical mastery on the decks and the production of exclusive mashups that guarantee a packed dance floor. Together, they deliver a show charged with sun, rhythm, and an electric connection with the audience that turns any event into an authentic 'mega-party'.
